

RENAULT LOGAN

DRIVE THE CHANGE

ARRESTING EXTERIOR STYLING

From a styling perspective, the Renault Logan sports an attractive exterior look based on a body coloured package all-round - bumpers, side mirrors, door handles and side door protection mouldings. Standard front fog lamps add to the aesthetics and make the Renault Logan impossible to ignore.

Practicality need not equate to blandness either, with its distinctive headlamps, sculpted bonnet, strongly designated wheel arches and bold grille punctuated by the unmistakable Renault logo, the Logan compels one to take notice.

QUALITY BEYOND REPROACH

The Logan is meticulously built to Renault's stringent global quality standards. This strict adherence saw the Renault Logan awarded the top spot in the 2007 JD Power Initial Quality Survey (IQS) in India. This achievement was not surprising since one of the fundamentals of the B0 platform philosophy from which the Logan is produced, is robustness and rigidity. All vehicles produced from this platform undergo rigorous quality testing by exposure to severe climatic conditions and bad road surfaces and the result - a robust and reliable product of quality beyond reproach.

DISTINCTIVE STYLE

Prepare to be swept away by the stylish Logan. The robust silhouette, taunt lines, sculpted hood and triangular rear lights - the Logan is pure attitude with an exhilarating twist.

LOGAN, PACKED WITH FEATURES

Standard features further entrenching this attractive value proposition include power steering, air conditioning, remote central locking, front and rear power windows, and Radio/CD MP3 entertainment system. Safety features include a driver's airbag as well as ABS and EBD for maximum stability and control in emergency stopping situations. The active safety systems combine with a highly rigid and robust occupant's cell to ensure that drivers and passengers are kept from harm in the event of the unexpected, while ABS and EBD-equipped braking system provides the driver with the best possible tools for avoiding mishaps even in wet, low-traction situations. Despite a budget-busting price point, the Renault Logan is fully loaded with all the modern motoring amenities available on vehicles in much higher price brackets.

GENEROUS INTERIOR AND EXCEPTIONAL BOOT SIZE

The Renault Logan boasts an incredibly roomy interior. With an exceptional 510 litres of boot space over 100 litres more than its direct competitors, back seat length of 1420mm only comparable to vehicles above its segment, and a back seat capable of fitting three adult occupants of more than 1.90 m in height, the Renault Logan is undeniably the most spacious vehicle in its class. The Renault Logan's generous interior space guarantees seating comfort for all occupants but not at expense of quality.

EXCEPTIONAL VALUE FOR MONEY

The Renault Logan represents everything the budget-conscious consumer is looking for in a motor vehicle right now. It has an excess of features at a value-oriented price point, while retaining the superb levels of quality the Renault badge has come to represent over the years, and backed by parts which are priced to further underline the exceptional value for money proposition.

Features and images may vary and be optional depending on model, and are subject to change without notice.

A PROVEN WINNER - GLOBAL SUCCESS

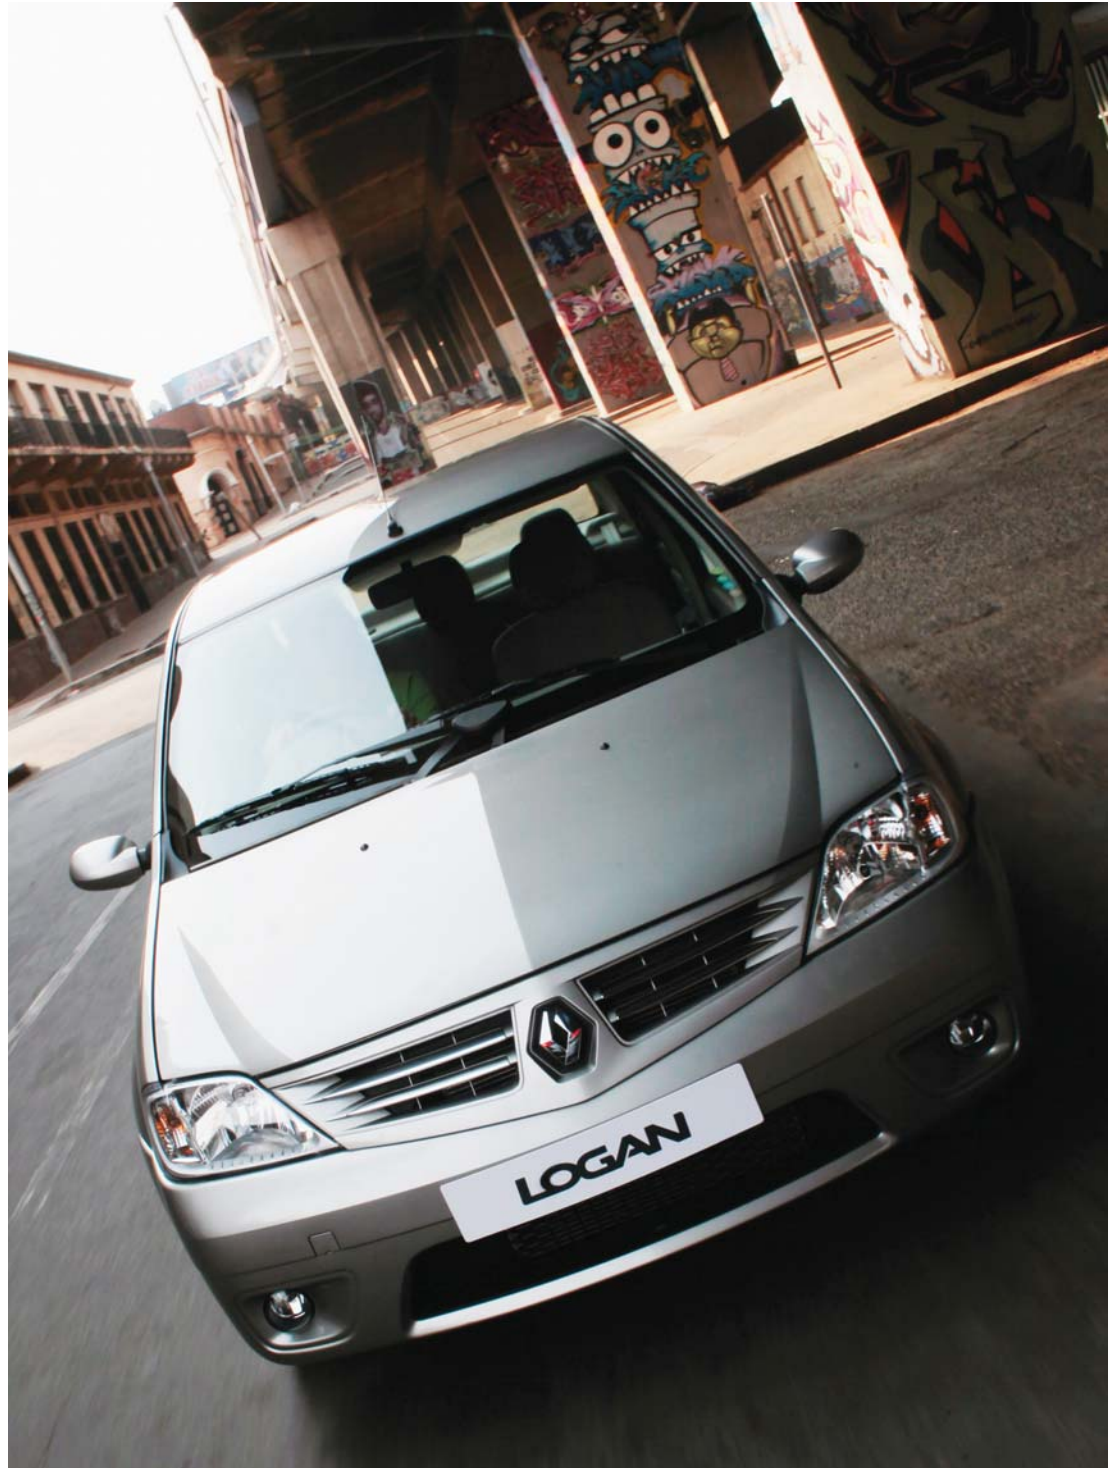

During its launch, the Logan sold an unprecedented 20 000 units within just four months. Since then, it has seen untold international success and is now sold in five continents and 59 countries.

PUNCHY YET FRUGAL ENGINE

The Logan is propelled by a punchy yet frugal 8V four-cylinder 1.6-litre engine. This engine is based on technology that has been proven through years of continued operation in various Renault platforms, and it offers a tantalising blend of ability, longevity, and efficiency, delivering commendable fuel economy to drivers of the Renault Logan without incurring increased costs for higher-tech “green” solutions. Developing maximum power output of 64kW at 5500rpm and useful 128Nm of torque at 3100rpm, the 1.6-litre engine propels the Logan from rest to 100km/h in 11.5s up to a top speed of 175km/h. In terms of fuel efficiency, the Logan records combined-cycle consumption of just 7.2 litres/100km representing affordable day to day running costs.

RENAULT DRIVE THE CHANGE

The philosophy that encapsulates Renault brand values and expresses the ambition of Renault; an innovative, human company, to pioneer sustainable mobility for all.

Renault builds on more than 110 years of innovation to bring customers breakthrough top quality products and services that are ingenious, appealing, affordable and carbon efficient.

Renault's brand expresses the deep rooted values of our business culture and brand values - reliable, human, enthusiastic - and forges a new path in automotive design and use.

RENAULT CONFIANCE

RENAULT CONFIANCE AN ALL-ENCOMPASSING CARE PACKAGE.

When you drive a Renault, you drive with confidence because you know that wherever you are, you'll always be in great hands. And to make your travels even more enjoyable, Renault is proud to bring you Renault Confiance - a complete peace of mind programme. Read on and understand why many Renault drivers feel more confident that they're backed by Renault Confiance.

PARTS AVAILABILITY WHATEVER PARTS YOU NEED, WE'LL HAVE THEM OR OFFER YOU A MOBILITY SOLUTION.

Renault ranks amongst South Africa's motor industry leaders in affordable parts pricing. Parts availability is ensured in Renault dealerships, but should your Renault become immobilised through spare parts being unavailable, you will be offered a mobility solution.

5 YEAR/150 000KM WARRANTY* WITH A 5 YEAR/150 000KM WARRANTY, YOU'RE ALWAYS COVERED.

Should you experience any mechanical failure resulting from a defect in an original part(s) on your new Renault vehicle, Renault Confiance will cover the cost of repairs for a period of 5 years or 150 000km.

*Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutches, cam belts, etc.

FIXED PRICE SERVICE MENU KNOW YOUR SERVICE COSTS UPFRONT, WHAT WE QUOTE IS WHAT YOU PAY.

No surprises, just fair, standard pricing on all services. So, you know upfront what you are paying for your vehicle service. The Fixed Price Service Menu is a major advantage for customers. It states the costs of every scheduled service, and is displayed in every dealership. It affords the opportunity to compare our servicing costs with competitors. Transparency is assured, and there are no hidden costs.

24HR ROADSIDE ASSISTANCE/SECURITY WHATEVER THE EMERGENCY, WE'LL ALWAYS BE THERE.

Because your personal security is of utmost importance to us, help is one phone call away. Simply dial **0800 600 189** for assistance or for a team to be dispatched to you.

- This number is available 24 hours a day, 365 days a year.
- You will either be assisted on the scene or your vehicle will be towed to the nearest Renault dealership.
- Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.
- With our 'Stand by You' Plan, we will dispatch a security guard within any metropolitan area to stand by your side on request.

SERVICE/MAINTENANCE PLANS WE OFFER STANDARD OR TAILOR-MADE OPTIONS TO SUIT YOUR NEEDS.

SERVICE PLAN

Having a Service Plan reduces the costs of servicing your new car. The price of the Service Plan is fixed when you buy your car, so you won't have to worry about inflationary price increases on labour or parts; for the duration of your Service Plan.

MAINTENANCE PLAN

Your Maintenance Plan is a comprehensive package that not only covers all your service, maintenance and labour costs over a contract period, giving you greater peace of mind.

COMPLETE PEACE OF MIND

At Renault we believe in always putting you first and striving to understand your vehicle and service expectations. In this way we will be better able to meet them, providing you with peace of mind, value for money and a strong sense of satisfaction with your vehicle purchase.
